

## FURTHER INFORMATION

1. **Miniball/Basketball/Flippaball** are played in all four terms, but are only registered for two terms at a time. If you register or Wait List your child for Semester 1 (Terms 1 and 2) in any of these sports, you will need to register them again for Semester 2 (Terms 3 and 4). No registered names or Wait List places are carried over.
2. All **After School Sports** (with the exception of Touch Rugby) are played over two terms. When you register your child, you are committing to them attending and you transporting them to and from practices and games for the entire two terms.
3. **Netball** and **Hockey** are both played over Terms 2 and 3. It is winter and they are played outside. Your child will potentially play a number of games in the rain. Both Kidzplay Netball and Harbour Hockey allow long sleeved shirts and leggings to be worn under uniforms and these should be navy blue or black. Netball North Harbour allow long sleeved shirts only and they must be navy blue.
4. The **Netball Year 4 Team 1** play in the Netball North Harbour competition on a Monday. Year 4 Teams 2 and 3 play on a Saturday at Pinehurst School. If for some reason you do not wish your Year 4 child to play at Netball North Harbour, you will need to email the Sports Coordinator prior to the trial dates so that they are not placed in Team 1.
5. The online booking system allows the school to create a Wait List once all spaces are taken. Please use this if you miss out. Another team will be created if we get enough players on the Wait List to do so. The exception to this are **Miniball** and **Basketball**, as we are only allowed to enter a set number of teams.
