To Place a Lunch Order at School

Place money in an envelope with child's name, area number and order written on the front (refer sample below). Please do not let your child write out their lunch order until their writing is legible and correct—it makes it extremely difficult to read orders quickly.

A separate envelope must be used for each child's order.

Place envelope in the box provided outside Area 1 no later than 9.00 am on the day the order is required.

Please ensure whether possible that the correct money is given.

No "part of" a lunch order will be given out at morning tea.

Sample envelope :
