MENU Albany Primary

Online Ordering www.schoollunches.co.nz

To Place a Lunch Order at School

Place money in an envelope with the child's name, area number and order written on the front (refer sample below). Please do not let your child write out their lunch order until their writing is legible and correct as it makes it extremely difficult to read orders quickly.

A separate envelope must be used for each child's order.

Place envelope in the box provided outside Area 1 no later than 9:00am on the day the order is required.

Please ensure wherever possible that the correct money is given.

No "part-off" a lunch order will be given out at morning tea.

Sample Envelope:
