To place a cash lunch order at school.

Place money in an envelope with the child's name, area number and order written on the front (refer sample below). Please do not let your child write out their lunch order until their writing is legible and correct as it makes it difficult to read orders quickly.

A separate envelope must be used for each child's order.

Place envelope in box provided outside Area 1 no later than 9am on the day the order is required.

Please ensure wherever possible that the correct money is given.

No "part of" a lunch will be given out at morning tea.
